Subject: INVITATION - EPA Pre-Panel Outreach Meeting on 1-Bromopropane TSCA 6(a) Rulemaking - November 5, 2020

Dear Sir or Madam,

You have been selected to serve as a Small Entity Representative (SER) to the upcoming Small Business Advocacy Review Panel (SBAR Panel) for the Environmental Protection Agency's regulatory action, "1-Bromopropane, Rulemaking under TSCA Section 6(a)."

EPA will be hosting a virtual Pre-Panel Outreach Meeting for SERs. This is not a public meeting.

Date: Wednesday, November 5, 2020

Time: 11:00 am - 4:00 pm (Eastern)

WebEx: <https://battelle.webex.com/battelle/onstage/g.php?MTID=e2a64129d3da56f6a606ca5dd56c35401>

OR Conference Line: +1 602 585 0123 (or Toll Free: +1 844 712 3247) then Access code:

Ex. 6 Personal Privacy (PP)

I will be sending the following materials in a separate email shortly:

- Agenda
- Panel Process Presentation
- Rule Presentation
- Potential Regulatory Options
- SER discussion questions
- PPE cost breakdown handout
- Instructions for how to connect to the WebEx

Please contact me if you do not receive the second email with attachments.

A preliminary review of these materials may be helpful to your active participation during discussions at the meeting. You may also wish to follow-up this initial meeting with written comments which will be due by close of business (COB) Wednesday, November 19, 2020.

After the SBAR Panel is formally convened (tentatively planned for late November), the Panel itself (EPA/OMB/SBA) will hold an Outreach Meeting with SERs. This meeting will focus on further exploration of the ideas arising out of the Pre-panel Outreach Meeting. You will again be invited to provide written comments within two weeks after the second outreach meeting.

The time commitment for serving as a SER is at your discretion. Some of you may have the time and resources to review all materials that EPA and the Panel will send you, participate in both meetings, and provide written feedback after each meeting. Others may choose to review fewer materials or participate to a lesser extent. We appreciate any form that your participation takes and ask that you not share the materials EPA and the Panel provide to you.

In addition to the attached Panel Process Presentation more information about serving as a Small Entity Representative can be found at our frequently asked questions page <https://www.epa.gov/reg-flex/frequent-questions-small-entities>.

Please notify me if you wish to receive information at an alternative email address. Please also notify me if your email account has size limitations for attachments. And finally, please do not hesitate to contact me if you have any questions.

We look forward to working with you!

Lanelle Wiggins
